LENTEN ALMSGIVING

Lenten Food Program

Saint Kateri's annual Lenten Food Program benefits our neighbors in need served at Irondequoit Community, St. Andrews, Sister Regis food cupboards and LaCasa Transitional Housing. Everyone is encouraged to help, including families and children.

When saying grace before meals, writing the weekly shopping list or shopping at the grocery store, remember to pray for those in need and thank God for the ability to help others. We are being Christ to the World.

Volunteers are needed on weekends at our churches to move donations from collection boxes to holding areas at each church. This is another great project for families and adults.

All non-perishable food donations are welcome and a weekly listing of suggested items can be found in church and at our website. This week's collection is for cereal, oatmeal, jello, cookies, and crackers. Donation boxes are at all church entrances.

Thank you! Info: Mike & Carol Ratigan 342-2496

Project REACH - A Meal for the Homeless

Preparing a soup in your own home: Need 7 Crockpots of soup of your choice

Serving at the shelter: Need 4-6 volunteers for FRI March 4 5:00-6:30 PM

God Is With You Now. Walk With Jesus!

We're a couple of weeks into our great journey, our Lenten "pilgrimage," filled with so many important, little details along the side of every road, at every turn.

Have you thought about how a "journey" is different from a "trip?" On a trip, we're interested in arriving at our destination.

We go through the necessary – often inconvenient – details of what route to take, what means of transportation, what to pack, etc. But these details are minuscule in comparison to the importance of the destination.

I think of a niece who went to Disney World in Florida a year or so ago. As the departure date drew ever nearer, her voice seemed to get higher! She had every toy and had seen all the movies; now she was going to be there! If you asked her about details of how she got there, whom she sat next to, what she ate, what interesting people were on the plane, she wouldn't have a clue! She just couldn't get there fast enough. That's a trip!

Pilgrims on a journey also have a destination in mind. It's what propels them to take to the open road, often walking or riding a bike or a horse. In ancient times, pilgrims walked clear across Europe or Asia Minor to arrive at the Holy Land. Modern Catholic pilgrims, too, make the journey to Rome or to other holy sites. In May, a group of us will make a bicycle pilgrimage, journeying to Fonda, NY, Saint Kateri's home. We could much more easily go there by bus or car, but we'll journey by bike over four or five days. And as we slowly ride past the miles of canal path and road, we will be with other pilgrims from our group. We'll notice the sights, the people, the sounds, the pains, the full human experience of journeying, and we'll pray. Details become important – a vital part of the journey itself!

On our journey this Lent, let's try to be aware of daily details, and see God's hand in them, or God's hand helping us with them! Jesus walks with us every step of the way. This I do not doubt! Earlier this month, our Reconciliation and Renewal retreat had record numbers: 60 participants had profound experiences with the person of Jesus. Parishioners recognize Jesus in the needy and poor brothers and sisters around us and have decided to touch them – so, Saint Kateri Parish is pursuing a relationship with a homeless shelter and already seeks to meet the hungry Jesus by collecting and providing food. Many parishioners have signed up online for fascinating daily spiritual video reflections at DynamicCatholic.com. Jesus is walking with us now in the ordinary, daily stuff!

Where are we headed? To a time when we all as "friends and neighbors joyfully share and live the Gospel and the transforming love of Jesus Christ through our Parish Family." It's a day-by-day thing, appreciating the details – and the persons – the Lord puts on our path.

Journeying with you!

BA – Birth Anniversary

Most Kids Ride to School on a Bus....

By Bridget Miller

Thanks to the Ridge Culver Fire Department Gracie Tillinghast rode to school on a fire truck last December! Each year, 2nd Graders are lucky enough to enter a contest, run by Ralph Rizzo and the rest of the Public Education Office, in which they can win a ride to school on a fire truck.

The students were asked to create and illustrate an evacuation plan for their house, in case of a fire. Gracie did a beautiful job and was chosen. She said the best part was “getting to choose which truck I rode in!” The class did so well, they were all be rewarded with a pizza party at the end of December! Thank you as always to the Ridge Culver Fire Department for their generosity to the students at Saint Kateri.

Dear friends at Saint Kateri,

Many thanks are extended from all of us at the House of Mercy for assisting us with generous Christmas baskets this past December. The community of Saint Kateri is very generous and thoughtful as you provide nice gifts and food for people in need. God’s generous blessings be with you and your parish families.

*Sincerely, Rita Lewis
House of Mercy*

I am happy to say a hearty “Thank You” for all the gifts of food, volunteers and support you have shared. We were able to help 736 families over the holidays with your goodness and assistance. Each family received a turkey or chicken and all that goes with three days of food. We heard many families’ stories that made us grateful that our doors remain open and that friends like you have stocked our shelves. This week of January held standing room only here, as people patiently awaited an interview and a package. The work continues bringing blessings in all directions.

*Lovingly, Margaret Oberst
