

Ministry Report from: Sarah Mancini (Liturgy) Date: 9-22-16

1. I have been working on the Responding with Weapons of Love presentation (a committee of 6 staff and parishioners-attendance numbers will be in next month's report), getting music ministry started and prepared. Liturgy committee is working on Funeral Server Guidelines, researching name tags, and new Extraordinary Ministers of Holy Communion crosses. We have been working as well on St. Salome and repurposing items for our parish and other parishes in the Diocese. Also, we are preparing resources for families preparing a funeral or memorial Mass for our website and for funeral homes. As always we continue to prepare the Universal Prayer for Masses, welcome, Hospitality Ministry communication and liturgical ministry schedules and training new ministers.
2. Currently under discussion: How to recruit, support, nurture and foster NEW liturgical Ministers. No plan is in place as of yet but conversations and brainstorming are and we are encouraging ministers to invite others to ministry.
