

Ministry Report from: Mark Keller – Liturgy  
Date: February 20, 2018

1. What have you accomplished this month? What activities have you sponsored? (please include numbers)

Ash Wednesday went well; we are still collecting the numbers. The churches have been appropriately decorated for the Lenten season. This week we will be scheduling a meeting of the “Art & Environment team to coordinated decorations for Holy Week and Easter and to determine the flower orders for each church. We are also beginning to set up scheduling for the Triduum and Easter Sunday.

We are still in the process of formulating an evaluation process for our liturgies.

2. What are the plans and dreams you’re currently discussing??

As mentioned above, we are in the process of creating an evaluation process for our liturgies. Based on the results of the evaluations, we will be able to determine where formation and training is needed for our liturgical ministers.

It has come to our attention that too many Hosts may be being consecrated at the Sunday Masses. We are working on a way to communicate with the sacristans. It is probably as simple as including the historical counts for comparable weekends.
