OUR MISSION

WORLD MISSION SUNDAY

FROM THE PASTOR

"I will bless the LORD at all times; his praise shall be ever in my mouth. Let my soul glory in the LORD; the lowly will hear me and be glad. The Lord confronts the evildoers, to destroy remembrance of them from the earth. When the just cry out, the LORD hears them, and from all their distress he rescues them. The LORD is close to the brokenhearted; and those who are crushed in spirit he saves. The LORD redeems the lives of his servants; no one incurs guilt who takes refuge in him." Psalm 34

Dear Parishioners and Friends,

For the past couple of weeks, we have been attempting to remedy the faulty steam boilers at St. Margaret Mary Church. We have had knowledgeable contractors, engineers and even parishioners familiar with steam heating look at the old boilers, piping, and pumps. After evaluation, it has been determined that the steam system for the church and attached building can no longer be safely operated due to old age, rot, and corrosion.

A remedy is being explored, but no repair of this sort is going to be accomplished before the cold winter weather sets in. There is also a supply chain issue with new heating equipment, which makes quick fixes impossible. As the church gets colder and colder, we cannot use St. Margaret Mary Church without heat. Even the plumbing and toilets will eventually freeze.

So, until we can get the heat fixed, beginning on the weekend of November 5th/6th, the 9:30am mass of St. Margaret Mary will be held at Christ the King Church.

The Mass schedule will look like this:

- Sat 4:00pm mass at Christ the King
- Sun 8:00am mass at Saint Cecilia
- Sun 9:30am mass at Christ the King
- Sun 11:00am mass at Christ the King

May God bless you!

Fr. Gonyo

JAPANESE BOWL: REFLECTIONS OF A POEM BY PETER MAYER

I'm like one of those Japanese bowls
That were made long ago
I have some cracks in me
They have been filled with gold
That's what they used back then
When they had a bowl to mend
It did not hide the cracks
It made them shine instead
So now every old scar shows
from every time I broke
And anyone's eyes can see
I'm not what I used to be
But in a collector's mind
All of these jagged lines
Make me more beautiful
And worth a higher price
I'm like one of those Japanese bowls
I was made long ago
I have some cracks you can see
See how they shine of gold.
-Peter Mayer

Peace and Blessings ... Deacon Lon

In preparation for All Saints Day we will be share "Saint Spotlight." Our spotlight will provide information about them. This weeks saint, Saint Jude.

Nothing is impossible for the patron of lost causes, St. Jude. Jude was one of the Twelve Apostles of Jesus. In Scripture he is called Thaddaeus and is also known as Jude Thaddaeus. In icons, St. Jude is often shown with tongues of fire around his head, representing the receiving of the Holy Spirit, along with the other apostles, on Pentecost. After the death of Jesus, Jude preached the Gospel and served the poor. He is believed to have been martyred in A.D. 65, and his feast day is Oct. 28. Call upon St. Jude today for an answer to what seems unanswerable in your life. "Saint Jude, Hope of the Hopeless, Pray for me."

Do you have a saint you find yourself talking to frequently? Do your kids have a favorite saint? Talk to them about this, teach them that not only do they have a guardian angel, but they have a whole team of saints ready and willing to intercede on their behalf! If there is a special saint you want to share or would like to be in our "Saint Spotlight" please contact Anna Steele anna.steele@dor.org.

SCHOOL & PARISH HAPPENINGS

Saint Kateri School Fall Walk-A-Thon

For the 2022-2023 school year we transitioned back to a school day Walk-A-Thon on Thursday, October 6th. Father Gonyo led us in song and prayer in church, where we took our school Spirit Shirt picture! We had a very successful Walk-A-Thon in May of 2022 that raised money above our expectations for our SKS Playground and for this school year we would like to use our Walk-A-Thon funds to provide materials and resources for our S.T.E.A.M. Lab. In the summer of 2019, Saint Kateri School invested in building renovations that allowed us to create a S.T.E.A.M Lab that was shared with our Art Room. We were able to create a schedule that allowed our Art teacher to provide instruction on some days while leaving the Lab open for teachers to access for Science lessons and whole group activities that needed more space ~ or tended to be messier. Then we had the COVID pandemic and using shared spaces and materials, as well as social distancing, made using the space difficult. This year's Walk-A-Thon contributions will provide appropriate and engaging materials for use in our S.T.E.A.M. Lab to support learning in the related areas of ~ Science, Technology, Engineering, Art and Mathematics. We are ready to go **FULL S.T.E.A.M. AHEAD!** Thank you to everyone that has supported our efforts ~

SOCKTOBER

Small socks.
Big socks.
Even in between socks.
Orange socks.
Blue socks.
As long as they are **new socks.**

Once again, we are celebrating October by *collecting new socks* for those in need. Throughout the month, Deacon Lon and our confirmation youth will be collecting socks and preparing them for distribution. This will serve folks who are experiencing a rough patch in life. There will be *boxes in the back* of each church for your donations.

Thank you for your generosity!
